Washington at Baltimore. St. Louis at Cleveland. Philadelphia at Boston. Chicago at Detroit.

National League Games Yesterday.

Pittsburg, 7; Philadelphia, 5. Pittsburg, 8; Philadelphia, 3. New York, 3; Chicago, 2.

The Washington club is consistent in one thing—it can defeat the Boston club when not able to win from any other aggregation.

Yesterday afternoon this point was exemplified when the Senators for the second time in three days captured a ball from the Bostonies by the score of 9 to 7.

Twirler Hughes, who did such splendid work for Chicago last season, was on the rubber for the Bostonians and his curvey was something on the order of cherry pie—luscious and easy to handle.

Scoring the Runs.

Neither side scored in the first inning, but the Boston barked the ice in the second, scoring one run. In the third an additional tally went up for the Bostonies, but the fourth was a blank.

Fall's Fashions—Best Interpreted by Parker, Bridget & Co.

Fall's Innings now. A successful summer is going to make a more successful fall for us. Success is always an inspiration for greater success.

Suits and Overcoats.

We've covered every need. The man who wants what's most conservative—the man who is more liberal—and the man who wants the most extreme fashion.

Fall Tailoring Fabrics.

Only natural that we should make suits to order that are eminently superior to what's usual.

We've assembled a line of fabrics here for this fall's business that you'll approve heartily.

Boys' Fall Suits.

Getting along toward school time. Some of the boys going away. Needs for months to come to be provided—and we've made it possible to provide them all now.

These Boys' Suits of ours are thoroughly well made. There's a style about them that shows how well we care for the boys' needs.

We've made a special line of Boys' Suits at \$3.95. They're better than their price. They represent the limit of value that large orders can develop.

The \$5 line is most comprehensive—including about everything a boy can demand.

Fall Shoe News.

Talk about the boys first. They've got to be provided right away with school shoes.

The Men's Shoes, \$3.50 to \$6. Best shoes—that best shoemakers can make.

Fall Hats for Men.

Every man is a connoisseur on hats—so they say. Why not? The hat comes nearest governing a man's appearance.

We're agents for several of the leading hat makers. The Imperial, for instance—a \$3.00 hat—then there's the Guyer—another \$3.00 hat.

But the \$2 Hats can't be neglected—they're too forcible arguments for your trade to be passed by.
